Junior 2021-22

Page Rajniti Junior 2021-2022 provides a standardized forum where we encourage the youth to look forward to the most important issues concerning all over the world.

This will hopefully develop a gregarious quality in the youth to provide solutions and get a sense of individualism in themselves that makes them think in a more altruistic form so that they can contribute towards their society catering to the needs of the people.

The tremendous success of the previous events of Page Rajniti motivated us to hustle harder, and after weeks of striving with renewed vigor, we are back with another youth parliament meant especially for the younger students.

# Message from the PRINCIPAL

In the last 5 years, Page Rajniti: Youth Parliament has expanded its reach and overseen immense success and growth. This year, the Secretariat and the teachers have allied yet again and spent weeks formulating enthralling agendas and appointed Executive Board, which will make Page Rajniti Junior 2022 an enjoyable learning experience for all. The Youth Parliament is an evolving platform that enables the youth to imbibe democratic ways and values. At Delhi Public School, Greater Noida, we believe in granting voice to the youth who are the arrows of future. With this mind, Delhi Public School, Greater Noida, is proud to announce its First Edition of Page Rajniti, to be held on 21st January, 2022.

# MESSAGE FROM THE

## Parliamentary Secretary

As an elaborate platform prospering throughout the years, speaking with personal experience, Page Rajniti has given various students a platform to establish their views and do justice to their opinions. To open a vast horizon of savoir-faire, have an unquenchable thirst for proficiency, wisdom and erudition. Also serving as a reservoir of opportunities, the benefits of diplomacy, soft skills and communication, strategy and cooperation. By appreciating excellence we at Delhi Public School, Greater Noida provide myriad possibilities paving the way to reach for even greater heights. We aspire to find them touching the new milestones and reaching the zenith of success.

Promoting knowledge and providing a platform for the newcomers, who want to learn and prove their worth- this not a place where we believe in tactics used to unfair means of winning, jeopardising the integrity and sincerity of others but instead of applauding the ones who deserve, one with a vision to bring out a change. Page Rajniti has perpetually been a conference that would help the delegates develop soft skills along with debating and researching skills. The goal here is to be good enough, to have a perception, an idea that could be used to shape minds. It comes from the ability to keep going until the goal is genuinely achieved.

Hence I welcome you all to the first edition of Page Rajniti Junior, 2022!

Regards,  
Avinash Gautam

If you look around, you will see the wonders that they have in reality.

These ideas have created a deep and long-lasting impact on humans. Our limit is confined to our comfortability, the moment we decide to step outside our comfort zone and we succeed in our goal. We hope that Page Rajniti Junior 2022 becomes a compass for delegates to grow, rethink, and gain an understanding of the crucial skills that can be utilised in all aspects of life. # AIPPM

## All India Political Parties Meet

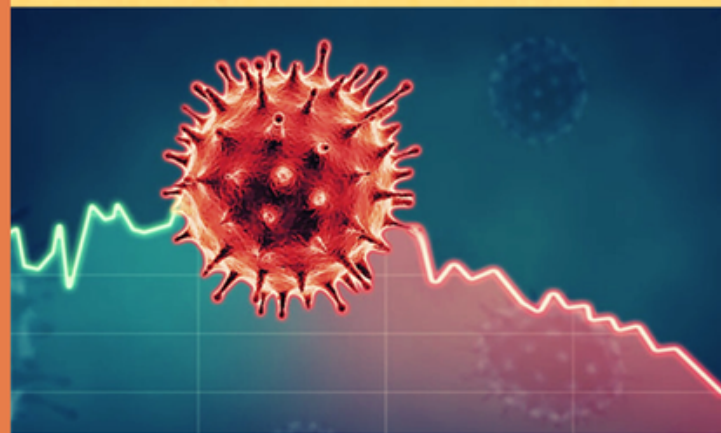

The outbreak of COVID-19 has brought social and economic life to a standstill. In India, the crisis witnessed a horrifying mass exodus of floating population of migrants on foot, amidst countrywide lockdown. Their worries primarily were loss of job, daily ration, and absence of a social security net.

The covid-19 has exposed and worsened existing inequalities in the Indian economy. India must rethink on her development paradigm and make it more inclusive. With the contraction of the economy a recession is inevitable. Apart from this, COVID 19 has also provided some unique opportunities to India. In this AIPPM we invite the diverse political groups of India to reach a consensus in providing a better insight into this national issue.

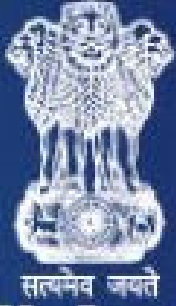

## Agenda

Impact of Covid-19 on  
Indian Economy and  
the role of the  
government to  
overcome the economic  
recession

You will investigate committee debates, conduct interviews, edit articles, and cover press conferences.
